Registration including textbook: The course cost is \$115 per registrant. This fee includes the current textbook of ServSafe® Essentials 5th Edition with answer sheet, examination booklet, and course materials*.

Please Note: Each participant must have his/her own **textbook**.

*Paid registrants receive a student packet including textbook, confirmation letter and handouts prior to the class. Early registration ensures adequate time for pre-class preparation. Call (906) 643-1100 x 133 to ensure that your materials are ready for pick-up before visiting the Health Department.

It is highly recommended to read the textbook before class to assist in preparing for the exam on the same day. Options are available for those with disabilities. Contact Staci Nelson at (906) 643-1100 x 133 or snelson@lmasdhd.org with any questions.
