## NEWBERRY FARMERS MARKET

### Sarah Edwards, Market Master

The Newberry Farmers Market is an outdoor retail marketplace that sells food, crafts, and services directly by farmers, bakers, and artisans to consumers. Initially starting with a handful of vendors, it has grown into a Thursday favorite one-stop-shop for many locals and tourists.

Starting in late June and running through September, the market takes place every Thursday from 4 p.m. to 6 p.m., rain or shine. You can always count on fresh produce, a variety of meats, homemade candy, and baked bread, as well as an opportunity to have utensils and lawn care items sharpened at the sharpening trailer.

Each vendor operates independently, but many accept coupons that include Project Fresh, Food As Medicine Coupons, and SNAP. Occasionally, the market hosts fundraising opportunities for local organizations, including 4-H, local sports teams, and the homeschool community.

It's a fun and inclusive space supplying farm-fresh food and a sense of community!
